## **RATE ORDER**

**April 16, 2014**

Wellington North Power Inc. (“Wellington North”) filed an application with the Ontario Energy Board (the “Board”) on September 26, 2013 under section 78 of the Act, seeking approval for changes to the rates that Wellington North charges for electricity distribution, effective May 1, 2014.

In its Decision and Order issued on March 13, 2014, the Board ordered Wellington North to file a draft Rate Order and a proposed Tariff of Rates and Charges reflecting the Board’s findings in this Decision by March 20, 2014. Board staff provided its comments on the draft Rate Order on March 27, 2014, noting several inconsistencies with the Board findings.

Board staff noted the following: (i) the variable rate riders were rounded to five decimal places instead of the four decimal places that was customary, (ii) Wellington North had included a header for regulatory charges for the microFIT class when no such charges

applied, (iii) the Rate Riders for Incremental Capital did not indicate the correct expiry date and (iv) Wellington North did not include a statement for each class indicating that the charges under the “Regulatory Component” heading do not apply to customers that are wholesale market participants. In its reply, dated March 31, 2014, Wellington North agreed with the changes proposed by Board staff.

The Board agrees with the changes proposed by Board staff and accepted by Wellington North. In addition the Board also notes that the Wellington North’s draft Tariff of Rates and Charges incorrectly labeled the loss factor of 1.0609 for primary metered customers as a Distribution Loss Factor, instead of a Total Loss Factor, as approved in Wellington North’s current Tariff of Rates and Charges.

The Board is satisfied that the 2014 Tariff of Rates and Charges set out in Appendix A of this Rate Order accurately reflects the revisions noted above and the Board’s Decision and Order.

#### **THE BOARD ORDERS THAT:**

1. The Tariff of Rates and Charges set out in Appendix A of this Order will become final effective May 1, 2014, and will apply to electricity consumed or estimated to have been consumed on and after May 1, 2014. Wellington North shall notify its customers of the rate changes no later than the delivery of the first bill reflecting the new rates.
2. Wellington North shall pay the Board’s costs incidental to this proceeding upon receipt of the Board’s invoice.
